

SCHOLARSHIP OPPORTUNITIES

The Missouri Rural Water Association Scholarship Committee will award four (4) college scholarships for the 2017-2018 school term. Two scholarships will be awarded to enrolled college students and two to graduating high school seniors.

The scholarships will be awarded to children, stepchildren or dependants of a full-time employee of either an Active Member System or of MRWA.

The two scholarships awarded to enrolled college students are designated the James Farley Scholarship in honor of James Farley, a longtime attorney in the water industry. Mr. Farley was instrumental in drafting many of the laws which govern rural water districts in the State of Missouri and was legal counsel for many water districts which were formed in Northwest Missouri. He was a longtime supporter of MRWA, dating back to the beginning of the Association, and served as legal counsel for MRWA from 2000 until he retired from practicing law in 2014.
